

North Fambridge Village Appraisal

BUSINESS QUESTIONNAIRE

This survey of businesses in the Parish is being conducted as part of the Parish Plan. This is being compiled by a group of volunteers in co-operation with the Parish Council. The idea of a Parish Plan is to give rural communities more control over their lives. The Plan has the potential to influence the wide range of policies and decisions that impact the lives of residents. It is also important that businesses that are based in the Parish have their say and we hope that you will complete the questionnaire.

All responses will be treated as confidential and used only for the purpose of statistical analysis by the Parish Plan Steering Group.

Once the plan has been produced the questionnaires will be stored for six months and then destroyed in accordance with the Data Protection Act.

This questionnaire will be collected during week commencing by one of the members of the Parish Plan Group.

Thank you for your help.
